GIVING MENU

BOLD CHANGEMAKER (\$5,000): Support the work we are doing comprehensively related to all five of our foundational pillars. Your gift at this level enables us to provide Green Dot Bystander Intervention Training to combat domestic violence, sexual assault and child abuse/neglect. You will assist us in working collaboratively with other Women's Funds in Wisconsin on a status of Women in Wisconsin Report and formulating a strategy under the guidance of our Board of Directors on how to use the data to best serve local women and their families. You will help us raise awareness through our community education efforts, especially related to women's health and mental well-being, helping fund scholarships for underprivileged women and girls for whom ticket prices aren't within their budgets. You'll provide us with an avenue to inspire women leaders through enrichment and group interaction, like our annual Leadercast event, along with internal Board member leadership training related to skills-building and focus on diversity, equity and inclusion. And we'll work together to continue Phase II: Engagement of Men & Boys in Ending Violence Against Women and Children as part of Fond du Lac Says No More.

(Please see inside for your partner benefits linked to this option.)

PILLAR OF STRENGTH SUPPORTER (\$3,500): Do you align most with one of our five pillars? If so, then let us partner specifically on that work only. Your gift will be designated specifically to support any one of our five pillars (you choose!):

- Education
- Financial Self-Sufficiency
- Leadership Development
- Safety, Dignity and Freedom From Violence
- Health and Well-Being

(Please see inside for your partner benefits linked to this option.)

GIVING MENU (CONTINUED)

GRANTS GIVER (\$2,500): Grantmaking by women for women and girls is at the heart of what our agency was founded upon in 2004. Our involvement in providing funding for partnering nonprofit agencies has evolved significantly over the years with \$322,000+ invested locally. Choosing this level of support means you help us assist 15 to 20 other agencies annually in service to women and girls in our community.

We unveiled a second grantmaking cycle in 2022, committing to three-year Strategic Grantmaking partnerships of \$5,000 annually with two organizations: Ebony Vision and Fondy C.A.R.E.S. We have moved our regular grantmaking, with smaller programming grants, to the spring to coincide with the shift of our fiscal year. Giving to the Women's Fund ensures your gift supports women and girls through a grantee vetting process, as well as required grantee reports on the success of programming related to the use of grant dollars. Good stewardship and oversight:

Two key benefits of giving directly to our agency vs. individual donations to many agencies.

(Please see below for your partner benefits linked to this option.)

EVENTS AMPLIFIER (\$1,500): We plan to be in-person for our 2023 Power of the Purse Luncheon on April 26 at the Radisson Hotel, as we celebrate the success of our Green Dot Bystander Intervention Training and recognize Lacey Sadoff as our annual Woman of Achievement.

We also will continue our 3rd annual Grantee Showcase at Grande Cheese in October to feature the work of grantees we partner with through grantmaking. We will host the largest women's leadership conference in Fond du Lac County by bringing Leadercast Women back to the area once again at a date yet TBD in November. Part of this sponsorship level goes toward funding tickets for women and girls who can't afford them.

(Please see below for your partner benefits linked to this option.)

Empowering Women. Inspiring Girls.

POWER OF THE PURSE 2023**

LACEY SADOFF: 2023 WOMAN OF ACHIEVEMENT

(TO BE HONORED AT POWER OF THE PURSE LUNCHEON)

Lacey is a fourth generation co-owner and president of Badger Liquor, the largest wine and spirits distributor in the state of Wisconsin. Growing up in Fond du Lac and attending Marquette University in Milwaukee, Lacey, her family and the business are deeply rooted here.

A member of the Harvard Business School Owner/President Management program, Lacey serves on the board of trustees at the THELMA Sadoff Center for the Arts, Milwaukee Film and Radio Milwaukee and was a founding member of the Wine and Spirits Wholesalers of America's Leadership Council.

Lacey continues her family legacy with a dedication to supporting local arts and culture, female-led business and leaving a strong philanthropic footprint in our community. She has been instrumental in supporting programming within our Fond du Lac Area Women's Fund, including funding critical to the Green Dot Bystander Intervention Training program, which is the only community model in Wisconsin.

She recently received a 2023 Titan 100 award, which recognizes 100 CEOs and C-level executives as the state's most accomplished business leaders in their industry, based on exceptional leadership, vision and passion.
